"Friendly Journey to Japan," the program theme of the society for the half-year, was discussed by Mrs. Mayer, who noted there has been Christianity in Japan since 1580.

In developing the topic, talks were given by Mrs. William Huff, Mrs. W. O. Francis and Mrs. R. T. Deuvall. Mrs. Huff spoke on "Swinging Doors," with Mrs. Francis continuing, "To Chinese Culture" and Mrs. Deuvall, "To Christianity." Mrs. Huff completed the theme by speaking on "The Door Closes."

Mrs. A. B. Comstock spoke on "Return to Japan."

Mrs. Mayer also presented devotionals, using "Thy Kingdom Come, O God," as her theme. Mrs. Irving E. Reeves, president of the society, conducted a brief business session. The missionary benediction was repeated in unison. A special hour followed and Mrs. Cox served a dessert course.
