TECUMSEH

Lodge Held a Social Session.

Tecumseh Lodge No. 899 I. O. O. F. on Tuesday evening initiated three candidates into the three linked brotherhood and afterward celebrated the affair with a banquet. The evening's program was under the direction of E. C. Tall, S. R. Rutherford and Samuel Epatine and this in itself was a guarantee that a royal good time was assured.

The menu set forth was a tempting one and was done full justice by the eighty-five Odd Fellows who put their feet under the table. After the material man had been satisfied, L. M. Jordan, past grand master of the state as toast master in his inimitable way. At one of the old guard Valerian toast fairly out of himself and around enthusiasm of a high order among the languetors, Dr. Silbaugh and E. A. Lake now comes to the community also responded and made a most favorable impression.
