We hope everybody can come to Dinner. This is our last event for the year 2003. All Band members and one guest is invited. You can bring additional guest and pay for their dinner.

It seems that our attendance at most of our engagements has been an average of about 13-14. Maybe we can work this Winter on recruiting some new members. An average of 20-25 is when we look and sound the best.

The Adelphi Band has a rich tradition of being the best Community Band in this Central Ohio Area. We should strive to keep up this tradition. We need every member to be present.

We have had fairly good attendance the last few engagements. We need everybody there each time to make a good showing. Please make every engagement you possibly can.
