Grand Stand

Band did right face and played the SSB to the audience. Then let the parade begin. We got out of the way. A baritone joined us Darrell Goodman

(23) Lancaster Fair.

Seated in front of grandstand - same 16

Music played: Robinsons Grand Entry, (16)
Woody Van, Carrollton, Thunder, When you

cut off
Bell, Lassus Iron, Them Busses, Amer. We, Crosey,
Orange Bowl, Beau Ohio, Iron King, Stars
and Stripes

No infield stickers on the windshield
this year. We were given a slip of paper
and the ticket taker didn't want it. Just
saying Adelpi Band got us in. This year
we played in front of the grandstand instead
of the office. That's because we play the
SSB to start the racetrack parade. Fine
day and warm. Most members took off
coats for the races. Good turnout and well
balanced. Only missing Bill and Ed who
are under the weather.
