FINE PROGRAM AT KINGSTON TO MARK GOOD WILL TOUR END

Fine Program, Six O'Clock Supper, The I. O. O. F. Band, Mrs. Frank Stevenson, Huff Children, Pat Highland and Band Artists in Solos, Male Quartet and Addresses by Chillicothe Speakers.

Chillicothe business men will stage their farewell "Good Will Tour," next Wednesday afternoon, winding up a most successful series of such trips in what they hope will be a blaze of glory at Kingston. The concluding trip, it is hoped, will be wound up by a record turnout, when the motor calvacade halts in the Greene township capital, next Wednesday.

The program for the affair includes concerts by the 35-piece Odd Fellows' band; solos by Mrs. Frank Stevenson; cornet duets by the Huff children; a male quartet; solos by "Pat" Highland and members of the band; a violin solo by "Danny" Stenborg and addresses by Addison P. Minshall and E. S. Wenis.

Due to the widespread publicity being given the final tour, Kingston is looked upon to take on a carnival aspect; next Wednesday evening.

The local trippers will eat supper at the Presbyterian church, in Kingston, at 6 o'clock. The motorcade will leave the Chamber of Commerce headquarters at 5:30 promptly, allowing half an hour to arrive in Kingston. The program will start at 7 o'clock.

Ladies are expected to make a big turnout for the final tour, every member of the Chamber of Commerce being urged to bring the fair sex of his family along on the trip.
