On March: Invercargill 15 times

Fine evening - just right for a parade. Very good turnout with 2 Cyders to help out. Parade bogged down several times - that's why the march played 15 times - usual number is 12 or 13. Big crowd and very appreciative. Only missing 2 members - Ed under the weather and Morris who played with the Shrine Band. Could have used Morris - we were short in the baritone section. Band dinner is Nov 2 at Hocking Hills Lodge.
