Fire house to be dedicated Nov. 3

The raising of a flag, a little music and some food that will stick to your ribs — all in honor of a new fire house in Colerain Township.

The dedication will be conducted at 4 p.m. Nov. 3 in Hallsville. Music will be provided by the Adelphi Band and the flag will be raised by a team from American Legion Post 291.

Rep. Bob McEwen, R-Hillsboro, and Sen. Oakley Collins, R-Ironton, are expected to be present during the dedication. Local political candidates also have been invited.

An all-you-can-eat pancake and sausage dinner will follow the ceremony with serving to continue until 8 p.m.
