RECEPTION AT U. B. CHURCH ENJOYABLE

Delightful informality and good fellowship prevailed at the First United Brethren Church, East Main street on Tuesday evening, when a reception was tendered Rev. and Mrs. L. B. Mignerey and family, new pastor at the church. The church basement was decorated with baskets of fall flowers and the church was filled with members of the congregation members of Tyler U. B. Church and other invited guests. Mr. B. H. Smith, superintendent of the Sunday School went to the parsonage and escorted Rev. Mignerey and family to the church where they were enthusiastically greeted with a hearty applause from all present.

The program opened with a selection played by the orchestra, under the direction of Mrs. Will Huff. Song by the congregation followed and prayer was led by Mr. Gus Wagner, class leader. A beautiful solo was sung by Milford Ater of the Tyler U. B. church, and the welcome address was given by B. H. Smith, who presented the pastor with a gift from the congregation. In response Rev. and Mrs. Mignerey spoke appropriately to the occasion and Rev. Mignerey gave two readings which were most impressive and enjoyed by the audience.

A duet number was given by Mr. Harrison Thomas and daughter, Ruth, "When I Take My Vacation in Heaven." Music by the Tyler U. B. orchestra under the direction of Mrs. Robert Gaynor was played during the serving of refreshments. The evening's program closed with prayer by Mr. Perry Wallingford.

The First U. B. church members wish to extend thanks to the members of Tyler U. B. church and all who helped make the reception such an enjoyable affair.
