## 200 Attend GOP Rally

### Dr. Brehm Speaks At Southeastern Meeting

Congressman Walter E. Brehm, addressing a Republican rally that attracted more than 200 at Southeastern school auditorium, Thursday night, attacked New Deal bureaucracy and red tape and pointed out that many congressmen have a personal flesh and blood stake in the war.

The Logan dentist, seeking his second term, reminded that he, along with 232 other congressmen, has a son in service and said that as fathers they could be depended upon to do everything in their power to bring the war to a swift and successful conclusion.

The Rev. John W. Sullivan served as chairman of the meeting which was opened with a welcoming address by Astor Graves and was marked by the introduction of Republican candidates. The invocation was given by the Rev. F. L. Mitchell and music was furnished by J. E. Woods and his string band and the Adelphi band.

The rally was sponsored by a committee consisting of Ruby Jenkins, South Franklin; George Mitten, Harrison; Howard Orr, Springfield; John Woodring, West Liberty; William Ratcliff, East Liberty; Alonzo McCorkle, North Franklin; and Astor Graves, Jefferson.
