**Figure Hunt** felt so sure at first Greenhouse, Beulah Hyson, V.M. that his term did not expire this year that he failed to qualify as a candidate in time to get on the ticket.

Later he discovered his error and is now a candidate, whose name will have to be written in by those who want to vote for him.

Meanwhile the friends of Cole have been urging him to get in the race against Hunt and he has finally concluded to do so. His name, of course, will also have to be written in by those who want to vote for him.

If Cole is elected, by the way, he will bear this annual title, J. P. Cole, J. P.
