THE THEATRES

S.HERMAN—Betty Compson Adolphe Menjou, Elliott Dexter and Zazu Pitts in "The Fast Set," from the well-known stage play, "Spring Cleaning." One of the William de Mille "Famous 40" productions.

MAJESTIC—Rudolph Valentino in "A Sainted Devil."
Why wives leave home—Some go voluntarily; others are snatched right at the altar and carried into the mountains by bad men. Anyway, that's what happens to Rudolph Valentino in his latest Paramount picture, "A Sainted Devil," which is at the Majestic. It's a Joseph Henabery production of Forrest Halsey's adaptation of the magazine serial, "Rope's End," by Rex Beach. Nita Naldi, Helen D'Algy and many others well known on both stage and screen, play in support of the star.

Here is the ideal Valentino vehicle. It has everything—a great story, gorgeous settings, fast-moving action and all the rest. And the rest!

You haven't seen Rudolph Valentino at his best until you've seen "A Sainted Devil."

ROYAL—Dick Hatton, Marilyn Mills, and Yakima Canutt in "Hell 'Em Cowboy" and "Fighting Blood."

STAR—Ed Cobb in "Between Fires," western and Sid Smith comedy "Big Game".

GETTING ALONG NICELY.
Mrs. John Sewards, of Church street, who was operated at the City Hospital, several weeks ago, is improving each day. This will be pleasing news to her many friends.

A WORD TO WOMEN
A hundred and twenty-one thousand women would complete a vast army. Yet a canvass was recently made among more than that number of women who had used Lydia E. Pinkham's Vegetable Compound for feminine ailments. The result proved that ninety-eight out of every hundred required benefit from its use. This is most remarkable evidence of the power of Lydia E. Pinkham's Vegetable Compound over the ills of womankind, and should influence every sick and ailing woman to try it.

SHERMAN

HAD A GRUDGE AGAINST FOOD

Suffered from Indigestion And Bloating After Every Meal. Says Mrs. Allen. Stomach Was In Terrible Condition. Quite Now "DRECO" Quickly Brought Relief.

"Here of late I suffered so with my stomach I even hated the smell of cooking," declares Mrs. Eleanor Allen, R. D. No. 1, Alliance, O. "After every meal I suffered with indigestion and felt bloated and uncomfortable. I never knew what it was to eat a hearty meal. I lost weight and suffered a lot from rheumatism, which I believe was really caused by my stomach.

Mrs. Eleanor Allen

"Upon taking Dreco however I noticed a quick improvement in my appetite and nothing hurt my stomach. The indigestion, bloating and gas has all disappeared. I gained 15 lbs in weight, and my rheumatism has vanished entirely."

Dreco quickly aids and straightens the important glands nerves. These are the nerves which, unguided and unknown, night and day, automatically control the digestive system—regulate the liver—operate your kidneys. When these nerves are worn-out, weak and rundown you suffer from indigestion, gas, sour stomach, dizziness, constipation, nervousness, rheumatism, backache, headaches or any of a number of sympathetic symptoms. When these nerves are healthy—you are well.

Try Dreco. It will make you well and keep you well. All good druggists sell it.
