TWO MORE DAYS LEFT FOR OIL GRATUITY

ONE CENT BONUS FOR CHARITY FUND OFFERED BY OIL AND BATTERY WILL CLOSE SUNDAY NIGHT.

In doing their part for the general charity drive that is in sway the county over, Charles Heinleman, of the Oil & Battery Service Co. stated today that their offer of giving one cent on every gallon of gasoline sold this week for cash has had quite an attraction for those individuals who feel it their duty to fall in line.

Stating that the offer will hold effect only two more days, namely Saturday and Sunday, the officials of the company hope at the end of that period to be able to hand over to the Welfare Association a tidy sum of cash.

The Oil & Battery has always been among the first institutions to assist in a worthy cause which concerns the prosperity of Chillicotheans, it being a home-owned and home-operated organization.

LADY MOSLEY SARCASTIC
LONDON (AP)—Lady Cynthia Mosley has been sarcastic about the movement for Britons to confine their purchases to British goods. "Even the instrument that stamps our letters 'Buy British Goods' is foreign," she said in a speech. She added that the House of Lords sat on Austrian leather and the Commons on Portuguese leather.
