The Church Invites You

MOLDING PUBLIC OPINION

By President Coolidge says, "Governments never turn to go to war but they are usually forced into it by public opinion. By proper direction of public opinion, peaceful methods of negotiations between countries will replace war."

"The church has always been a molder of public opinion, its force as a molding power will depend in part upon the support the community give it. The church is ordained to make effective the message of the angels when Christ was born.—Peace on earth Goodwill toward Men."

The church in your community desires your interest, your presence and support. Why not start the New Year rite by accepting the invitation and COME TO CHURCH NEXT SUNDAY?
