

BAND MAKES APPEAL TO ETC.

(Continued from Page One)

a good organization.

What is a parade without a band? What is a city without a band? We have young bands—yes. And the I. O. O. F. Band uses them as soon as they are ready.

These summer band concerts bring business to the city. Have you ever seen the crowds that come into Chillicothe for these concerts? And they all spend money.

You say you are elected on an economy program. Sure, save, but you will find after you are in the city government, that you can save; but when you take everything into consideration, are you saving by not having summer band concerts?

Thanking you for your consideration: C. A. Davenport, W. F. Reis, Adam H. Uhrig, manager of the I. O. O. F. Band, Ernest Hess, Dave Schreiber, Wm. Bair, Clarence Lewis, Frank Minch, Merle Weagly, Will Huff and all members of the I. O. O. F. Band.
