CHRISTIAN WORKERS MET
Mrs. William Menear of Irwin avenue entertained the Christian Workers of the Bridge Street Church of Christ on Thursday evening at her home with twenty-one members and three visitors present. The president, Mrs. W. L. Huff, presided. A number of plans for the future were made at this meeting which was the last of the self-denial meetings from which a good sum was realized. Poems which had been composed by the members were read, and Mrs. Stella Oakes was awarded the prize for the best. The rooms of the home were decorated in green and shamrocks were given as favors. The hostess served refreshments during the afternoon. The place where the next meeting will be held will be announced later.
