Band Trailer will take us to parade starting point for 2:30 PM parade.

We are sorry to announce that due to poor health and vision, our leader, Bill Hinton, has suggested that someone else should be the leader of the band.

Therefore we are asking each band member to give some thought as to who should be our director. We will discuss these subjects at our April rehearsals.

Maybe we need officers, persons to be in charge of music, person to take the bookings of engagements and a Band Director. Many persons helping will lighten the work load. We are grateful for Bill Hinton handling all these jobs for us for so many years. Bill stills wants to be along with the band in some compacity.

We also need to do some recruiting for new members. Invite your friends that you know that used to play in a High School Band.

The Adelphi Band has a rich tradition of being the best Community Band in this Central Ohio Area. We should strive to keep this the best \_\_\_ Band around.

Remember - April 3rd - First rehearsal.
