ARBOR DAY AT THE EASTERN BUILDING

The Arbor Day celebration at the Eastern District school building Friday was a great success. The first to fourth grades held exercises in the morning and the fifth to eighth in the afternoon.

Mrs. William Huff rendered valuable service gratuitously by directing the school orchestra which furnished accompaniment to the songs.

The school orchestra is composed of Christine Stouder, Anna Louise Medert, Marcella Ward, pianists; Charles Schaffer, saxophonist; Robert Greathouse, Margory Huff, cornetists; Robert Calver, banjoist; Alvin Echard, drummer.

Many parents and visitors attended the exercises.
