It is with sadness that I share that we were told this morning that Jerry Voss (*Trombone*) had passed away.

Jerry had been a dedicated and hard working musician with both the Adelphi Band and the Pumpkin Show Band for many, many decades. In fact, it was not uncommon to see him show up at an Adelphi Band practice (*when we practiced in Hallsville*) with a car full of other musicians from the Circleville area, just to make sure that they all had a ride to get there.

He will be truly missed.

I have no other information at this time. As soon as I do, It will be sent to you.
