The Adelphi Community Band Newsletter

Glenn only provided three (3) practice dates, all during the month of May. It is anticipated that additional dates will be announced at a later time.

Those with internet service might want to review the Adelphi Community Band web site at: <http://adelphiband.weebly.com/> . Included are photos from our 2016 performances, including the Lancaster Fair and Circleville Pumpkin Show. Recent additions include some of the classic stories that have been part of the Adelphi Band experience for decades. Among them:

- A "Why I joined the band" conversation with Dave Pontious.
- How a band member selects a car.
- What ever happened to the music for Fort Gay?
- The difference between Darbydale and Darbyville is only 13 miles, which is the difference between making a concert and missing one.

Lastly, if you know area musicians, talk to them about playing in the band. Sometimes that's all it takes to grow a group.

See you this summer!

John Mathew
