this spring tonic, and you gain the courage that comes with good health.

THRIFT STAMP SALE GOES ON RIGHT MERRILY

The heavy Liberty Loan drive which is on at present has not disturbed the War Savings stamp sale in Ross County to any great extent as is shown by the report made to County Chairman Boulger this morning by Postmaster Wolfe. Either is a fine investment, and it is encouraging to note that the people are alive and doing their bit. The report today shows the following sales: City, \$6330.95; country, \$4630.10; Camp Sherman, \$518.85. The following have been added to the honor rolls: In the thousand dollar class: Mrs. Lene Roll, Kingston, R. 2; Mrs. Mattie Rouse, Hallsville; Mrs. Lou M. Randall, Columbus; Edward B. Orr, Gillespieville, R. 3; A. W. Fromm, 272 South Paint street; Mrs. Thomas Huff, R. F. D. No. 7. In the \$500 class are O. J. Hayes, 120 E. 11th street; Elizabeth Shively, Marie Shively, R. 3. and Emily A. Rowe, Austin, Ohio.
