Fine day, almost too hot for coats. Pretty good turnout but short in baritone section. March played at start but parade moved slowly. By the time we turned the corner at end of Main St it was the 6th playing. Parade moved smartly going back and 2 more playings was enough. Going back to the gazebo 2 playings of Across the Field with no audience response. Ten numbers played in the gazebo but no Stars & Stripes. No one to play the piccolo part. Started at 3:40 and quit at 7:20. Time to go home
