Good day but very windy. your hat could blow off.  
 Fairly good turnout but short in the Drum, Bar,  
 and clarinet sections. Band well received in  
 the parade but very little audience for the  
 concert afterward. Played from 3:30 to 4:05.  
 Chillicothe paper had us scheduled from 4:00 to  
 6:00. How did they come up with that time?
