## Strike Up The Band! It's Time For Johnny's Solo And The Music Festival

**J**OHNNY GANT is only in the first grade at the Western Building; but how he can play a cornet!

And Johnny will have plenty of talented company tomorrow night at 8:15 o'clock at the Chillicothe High School auditorium when the public schools' annual music festival gets under way.

Carol Armstrong, eighth grade, West Fifth Street Building, will be heard in piano solo; and Virginia Paul of the High School will offer a violin solo. These soloists—and Johnny Gant, too—are to participate in the state contest within the next two weeks.

Besides the band, orchestra and boys' glee club, there will be two ensembles, a quartet and a saxophone solo by John Sigler.

Final rehearsal is scheduled for the high school auditorium tonight at 6:30 o'clock.

The concert, under direction of Mr. Russel N. Squire, is open to the public. Tickets are only 25 cents.

Here are the names of all the youngsters who will take part:
