RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within 24 Hours.

Every druggist in this country is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenrhu, the sure conquerer of rheumatism, does not show the way to stop the agony, reduce the swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly refund your money without comment.

Allenrhu has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Mr. James H. Allen, of Rochester, N. Y., the discoverer of Allenrhu, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenrhu decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance.
