**Date: May 11, 2020**

The following is information Glenn conveyed regarding the upcoming engagements of the band. As you can imagine, the Corona virus has had a significant impact on any type of gathering this year, and has already made some serious dents in our customary performance schedule. At this point how many more changes occur is anyone's guess. When new or additional information is received it will be shared as quickly as possible.

### **Practices:**

None are listed on the schedule. For some groups this might be an issue, but I suspect we are not one of those groups.

**#1 \*\*\*** At this point the Marion County Fair is the only county fair in Ohio that has cancelled for 2020. The Pickaway County Fair is “on” as far as is known now, but as with all gatherings, that continues to be under review. A post from the Pickaway County Fair identifies their timeframe for decisions:

*At this time the 2020 Pickaway County Fair is still scheduled to take place June 20-27. The Sr. Fair Board is working on an alternative plan should the state of Ohio not permit the fair to take place in it's full capacity as planned. A final decision will be made by the Sr. Fair Board at the June 8 monthly meeting and details/instructions shared immediately following that meeting.*

**#2 \*\*\*** At this point the Ashville July 4<sup>th</sup> Festival is still "on". However, it should be noted that several central Ohio 4<sup>th</sup> of July festivals have already been cancelled, including the Columbus *Red, White, and Boom*. As reflected below, the Ashville Community Mens Club indicates their decision date is June 1:

*Many people want to know if the 4th of July Celebration will take place this year.*

*At this time the Ashville Community Men's Club has continued to plan as if it will. We are also working to implement numerous safety measures for the comfort and safety of our volunteers and attendees.*

*Obviously this is all dependent on both state and local officials giving us approval to hold the event.*

*In order for us to meet our deadlines for printing, entertainers (headliner is TBA but he has recently had a song in the top 40 country billboard charts) and other vendors that provide services to the event, we need to make a final decision on June 1st and will base that decision on the information available to us at that time.*

As mentioned above, updates on any appearance will be shared as quickly as possible.
