Subject: Adelphi Band Newsletter

Greetings!

After starting to put together today's newsletter, I received a series of changes and adjustments to be included. As things usually go, each new adjustment arrived just as I was ready to print and send it. The end result is a document that has been revised more times than my address book.

The final version is attached, in Adobe Acrobat format (.pdf). For anyone having difficulty opening the file, let me know. I can send it in a different format if needed.

In the interest of timeliness, there are 2 listings that are approaching quickly.

**1** - Practice is scheduled for **Monday, May 24<sup>th</sup>**. It will be at 6:15pm in the shelter house of the Hallsville Community United Methodist Church, 8585 OH-180, Kingston, OH 45644. (This is the church where Memorial Day Services are usually held.)

**2** - Two **Memorial Day** performances at the cemeteries in Hallsville and Adelphi have been confirmed.

The rest of the information represents what we know for now. Since everything is subject to change, as soon as additional information is received we'll send it on.

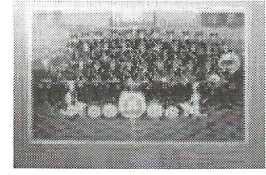

Stay safe.

### Looking ahead:

The below dates are for reference only. These are events which have traditionally been on our schedule. To my knowledge we have not yet been engaged to play at these, as some festivals are waiting to decide if they will try holding them in 2021.

**June 19-26** is the **Pickaway County Fair**. Previous years we have played on the first Saturday @ 12:30pm in the grandstand for the races, which would be June 19. *They have not yet contacted Glenn about playing this year.*

**June 30 through July 4** is the **Ashville 4<sup>th</sup> of July celebration**. Previous years we have played in the parade on July 4<sup>th</sup>, which this year is at 1pm, with a short concert following. *They have not yet contacted Glenn about playing this year.*

**October 20-23** is the **Circleville Pumpkin Show**. We usually play in the 8pm parade Friday evening. On Saturday we usually play a 6:30pm concert on the trailer, and in the 8pm parade. Those dates would be October 22 & 23. *They have not yet contacted Glenn about playing this year.*

Similar to last year, the Corona virus continues to make a significant impact on any type of gathering. Both state and local restrictions continue to be adjusted as deemed necessary. As a result, any item "scheduled" is subject to change as the event draws near. We will do our best to keep you informed.

Stay safe.
