

THE CHILICOTHE GAZETTE, WEDNESDAY

CONCERT BY THE C. H. S. PUPILS A FINE ONE

The concert given at the High School auditorium, Tuesday evening, by the chorus, Glee Club and orchestra, under the direction of Miss Lola K. Spies, supervisor of music, was enjoyed by a large and appreciative audience. The accompanists, besides the orchestra, were Miss Anna Louise Horney and Miss Madge Wakefield.

The girls' double quartette was given several encores on its efficient work.

The closing number, The Triumphal March from Aida, was the most artistic number. The entire production reflects great credit upon the ability of Miss Spies, the musical supervisor in the schools:

The program rendered was as follows:

Overture—"Magna"	Huff Orchestra.
"Recessional"	DeKoven
"Love's Greeting" (Salut d'amour)	Elgar

Want To Get Into Contest.
Madrid, May 3.—(Correspondence of Associated Press.)—Spanish army swordsmen are eager to accept the invitation forwarded through the Spanish Ambassador to the United States, suggesting that they visit America next fall to contest in a fencing tournament. Although the government has not yet decided whether the invitation shall be accepted, preparations are being made for competitions to be held throughout the country to select a team worthy to uphold Spanish traditions of swordsmanship. Some of the fencers in the Spanish army are noted for their prowess. Majors Macapinlac and Laso and Captain Coronte are experts with the foil; Majors Vacas, Rodriguez and Belza and Mico with the sabre; while with the sword the first three also excel.

**Combing Won't Rid
Hair Of Dandruff**

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all, of your dandruff will be gone.
