Clifford Kerne arrived after 4th number - may have gotten lost in the Route 22 detour. The rain wouldn't quit but the band played under a red and gray tent. 6 times is a lot for one number (Wash. Post) but that's what it took to get the athletes onto the track. A few announcements, playing the SSB, release the pigeons, play New Friendship again, have a little refreshment (coffee and cookies) and time to go home. Barely enough to get by.
