Vic Vester and Col. Swepton. Col. Vester was an easy winner.</p> <p>A most happy dinner hour, the schools of the township each having their separate spread in the school yard, at which the visitors were made as happy as the school children.</p> <p>After the noon day repast, a literary program was directed by the district superintendent, Chas. Bitez, consisting of declaiming and singing by the several schools, all of which was rendered by the pupils who were public speakers, that surpassed those that followed by the older folk present.</p> <p>The principal address was made by County Superintendent Puckett, who reviewed the work of the schools for the past year, with some emphatic suggestions for the coming year.</p> <p>Prof. Puckett was followed by Sheriff Swepton, County Commissioner S. S. Steel and G. W. C. Perry, and the benediction was pronounced by Rev. T. Lehmann, of the First Evangelical church, of this city.</p> <p>An excellent program of music was given by the Hallsville Brass Band, and in all it was a most entertaining day for the pupils and patrons of the Scioto township schools.</p> <p style="text-align: center;">Continental Bug Show</p>	til 9 The Safety F Friday r Saturday at the h Paint st train an it, for t fall sho hensive ional va inspecti member merce s ing.
