GRADUATES HEAR BACCALAUREATE ADDRESS

The parents and friends of the students of the graduating class of the High School filled Walnut Street church and Sunday school room to overflowing last evening, for the occasion of the Baccalaureate sermon. Large bunches of pink roses in tall baskets and the girls marching in their crisp organdy dresses of many lovely shades of color and looking like a large bed of gay flowers, gave festivity to the service. Mrs. Cook on the violin added to the beauty of the music, of the ladies trio, composed of Mrs. Erdmann, Miss Wisehart and Miss Sando, while the offertory with organ and violin was specially sweet and alluring.
