after having rain during the last five performances, the
 sunshine was very welcome.
 Merrill Junk arrived just in time for the first number.
 Dick Norton arrived half-way thru the opening numbers.
 5 times on the march is unusual. 2 or 3 times
 is the norm. Also we usually disembark at
 the cemetery and march in playing the hymns
 today the wagon pulled thru monument and we got off
 ragged like we reassembled. Most hymns are
 played twice but today we played some of
 them 3 times.
