

PWA Students Meet at City Ma Hall for Ceremonies.

In recognition of Memorial Day, PWA night school students met at the city building Thursday evening, where they heard a program in charge of Mr. William Cochran and Mrs. Will Huff.

Mr. Cochran spoke on "Why We Have Memorial Day", with a history of the holiday. The group sang "America" and repeated the pledge to the flag; after which the Huff sisters played a cornet duet. Mrs. Lassie Cade read "In Flanders Fields", and Mrs. Isabel Logan, "George Washington Tribute". Mr. Cochran then told of his trip east and described the Washington monument. Mrs. Viola Wright read "The Little Stones" and Maggie Saxon, "Laurel Wreath". Lona Mae and Esta Ferguson gave other readings.

Miss Kathryn Hixon and Mrs. Wright paid tribute to relatives who have fought in wars. Mr. Cochran read a poem in closing.
