On March: Wash Post 11 times

Good day - a little cloudy, a little cool but it didn't rain. Fairly good turnout but short in many sections. Some band members ended up in the middle of the park with the Clydesdale horses and had to turn around. We're trying to find the parade start. Parade moved right along. Good crowd. Started at 2:00 and ended at 3:00. Time to go home.
