With Thanks...

The Mathew family would like to sincerely thank the Circleville Trinity Lutheran Church for the use of their beautiful facility!

We certainly want to thank Sharon Stanley for graciously agreeing to accompany Jarrad for this recital. This project has taken a lot of her personal time that she did not have to give. Sharon, you sound great!

Jeff and Sherry would like to especially thank Mr. Cliff Kerns for everything he has done for Jarrad over the years, to include accepting Jarrad as a student for lessons. This project has also taken a lot of his personal time that he did not have to give, but Jarrad will be much better prepared to pursue his career direction because of it. Mr. Kerns, you have been more of an influence on Jarrad that you may ever know. For that, we thank you.

We also would like to thank all the friends and family who came out today to support Jarrad in this recital!

Refreshments
are available
downstairs after
the recital.
