Balloon Ascension Planned For Clarksburg's Field Day

CLARKSBURG — Entertainment ranging from commercial displays to an old-fashioned balloon ascension is being planned for the annual Field Day and Homecoming at Hurst's Grove, Aug. 6.

The balloon ascension would be the first in this section of Ohio in perhaps a third of a century. Inflation of the balloon will take place in an open area at the rear of the grounds, one-fourth mile east of the village. Claude Shafer of Indianapolis is to conduct the operation.

The aerial stunt will highlight the program, which the committee describes as “the most ambitious and extensive ever scheduled here for one day's entertainment.” It will also include commercial displays, trapshooting, various contests, concert by the Adelphi band and a performance by eight stars from WLW's “Midwestern Hayride.” The artists include the Rangers Quartet, Judy and Jen, Bonnie Lou and Charlie Gore.

On the Homecoming committee are: Bennett Junk, Pryor Timmons and the Rev. Thomas W. Taylor.
