Music Played: King Cotton $4\frac{1}{2}$ times, SSB
As the Adelphi Band waited to go on the track to play the SSB for the 10:00 opening we notice that the flag has already been raised. Finally at about 20 after we go on the track, leading the parade, playing King Cotton $2\frac{1}{2}$ times. The third time is cut off as we reach the grandstand because the announcer has started. We go around the track again playing the march. This time we do inch up to the grandstand and play the SSB. We leave playing the march again - $4\frac{1}{2}$ times in all. What's unusual is it's not the director cutting us off and starting the SSB. It's Dale the lead trombone. Our director is driving the truck pulling the wagon. Do what you have to do.
