THE RED MENS' PICNIC.

Fully Three Thousand People Were in Evidence at the Delightful Outing of Yesterday.

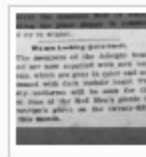

The picnic held yesterday in Brundige's grove, under the auspices of Cornplanter Tribe I. O. R. M., of Adelphi, was in every sense a most enjoyable affair, there being fully three thousand people in attendance. The grove is located between Adelphi and Kingston and is admirably adapted for such an outing.

While an invitation had been extended to every Red Man of the county, to be present at the outing, owing to the threatening weather, the Chillicothe delegation, which was to have been a hundred and fifty strong, was represented by but three people, County Recorder Lee Des Martin, and Messrs. Will Immell and John Brust.

In the afternoon, after enjoying a good dinner, speeches were made by Judge S. W. Courtright and J. G. Maag, Esq., of Circleville, and Mr. Lee Des Martin, of this city. Following the remarks of the orators, there was a base ball game between the Adelphi and Kingston nines, the former aggregation of players winning by a score of 18 to 10.

Another pleasant feature of the picnic was the music which was rendered by the Adelphi cornet band. Throughout the entire outing there was not one thing to mar the pleasure of the occasion, and this was due solely to the splendid management of the committees who had the affair in charge.
