KINGSTON— Sunny skies and good crowds brought the Kingston Geranium Festival to a successful close Saturday evening.

Visitors flocked to the village park throughout the day Saturday for the antique car show, amusement rides, children's contests and games and other festival activities.

The festival ended Saturday evening with a parade, Adelphi Band concert and square dance.

A total of 67 entries participated in the parade led by Becky Lawrence, Miss Ohio State Fair. There were 14 marching units, 17-18 floats and several vehicles, including fire trucks.

Floats were judged in two categories. In the overall category, the Clearcreek Township (Amanda) Fire Department placed first, the Salt Creek Tarlton Ladies Auxiliary, second and the Deercreek Dam Days (Williamsport) festival, third. In the best of parade category, the Laurelville Fire Department placed first, the Salt Creek Valley (Richmond Dale) festival was second and the Adelphi Bologna Festival was third.

Twelve drill teams were judged in the categories of precision and appearance. In the precision category, the Laurelville Majorettes placed first, the Circleville YMCA Cadets were second and the American Cadets of Circleville were third.

In the appearance category, the Williamsport Cadets were first, the Pikettes (Piketon) were second, and the Perfectionettes of Circleville were third.
