MODERN WOODMEN HOLD MEMORIAL SERVICES

White Oak Camp No. 10323 Modern Woodmen of America, Yellowbud, conducted the annual Memorial service at the Spring Bank cemetery with a large group in attendance. The service opened with the singing of "America, the Beautiful" by the community choir, directed by Oscar Reynolds, with Mrs. Mary Peck at the piano.

Mrs. Arrie Immell pronounced the invocation. Music for the service was furnished by the Adelphi band. Mrs. Grace Streitenberger was heard in one vocal solo and Donna Jean and Joan Weiler played a piano duet.

A serious and inspiring address was delivered by the Rev. B. F. Borcoman of the Calvary Evangelical church of Circleville.

Floral wreaths were placed on graves of 27 members in four cemeteries: Spring Bank; Forest of Circleville; Williamsport and Brown's Chapel.
