Good turnout - only short in the baritone section, and one brand new member joined us - Kevin Adams from <sup>near</sup> Whisler on Tenor Sax. Fine day - band played in the street in front of town hall. Jerry Voss arrived after 6th number and John Mathew moved to baritone. Band played from 6:00 to 7:00 and then went inside for the display by Glenn Hinton of old band pictures. One picture from 1952 showed 34 members and dressed in military style uniforms. Total turnout 16.
