Subject: Concert and Parade List for Adelphi Band 6-12-2021 at Laurelville

Greetings!

Bellow is the email I received from Jeff Mathew about Saturday's concert and parade at Laurelville. From the sound of things it may still be warm, with possible showers.

(Translation: Keep your friends close, but your poncho closer.)

See you Saturday.

John Mathew

=====

Here is the concert and parade list for Laurelville:

Saturday 6-12-2021

Concert 4:30-5:30

Parade 6:00

This music is all from **FOLDER # 1**.

Folder # 1 is NOT the one we played from over Memorial Day, but is the one that was handed out at Hallsville. It has @ 40 songs in it.

If, for some reason, you were there but you didn't get a folder that day, the songs with individual instrumental parts can be found at:

<https://adelphiband.weebly.com/manila-folder--1.html>

All but a few songs from that folder can be found on that web site.

As a reminder, if you can get someone to come and sit in, let me know so that I can provide music for them. I do not carry the music for the instruments that we seldom have, like Flute, Sax, so I would have to print that out for them.

Otherwise, they can look off of someone who already has music for the short term.
