has been rehearsing daily with the orchestra to secure new effects in dance music.

A feature of the new organ is that it is so constructed that it can be transported from one location to another and set up in one hour. This feature will be utilized by the band in a tour to be made this fall.

WINTER GARDEN'S NEW ORGAN HERE

Portable Instrument Added
by Manager Goheen.

Manager Earl Goheen of the Winter Garden ballroom is announcing the premier presentation of the Garden's portable pipe organ for tomorrow night.

Patrons will hear for the first time the new, specially built pipe organ being played with the regular Winter Garden orchestra.

Only a few orchestras in the country carry a pipe organ as one of the instruments of the dance band.

Mr. Lester Huff, who has been the director of the Winter Garden orchestra, will play the new organ and continue to lead the band. Mr. Huff has played at the Paradise in New York, the State in Cleveland, the Stanley in Baltimore and Loews in Indianapolis.

He has long had the ambition to combine the tones of the organ with a modern dance band and
