next to the fence.

Band assembled under a little tent, we're crowded but protected from the sun.

Music: New Colonial quit at 7 numbers, 55B, New Colonial, Col. Bogey, Beau. Ohio, Deal Plus, Them Basses, Stars & Stripes.

We're told to play a number but cut off when ceremony started promptly at 3:00. We sit for 35 min during all the history, citations and remarks about Kingston. Its original name was Ingotone. Then we played and quit at 4:00. The singer following us had no crowd at all. Some band members didn't like sitting around and our playing time was cut short. There was a conflict with the Pickaway Brass. We're missing Clifford, Jeff and Jerry.
