Rice cloudy day - very pleasant. Too bad the turnout didn't match. Very poor turnout - barely enough to get by. Maybe 2 engagements in one day is not good - but its out of our control. Parade forms on hillside a mile from town. It took 3 playings of the march to reach town, 4th time inside and 5th time leaving. A wait for the parade to finish, then we played in the park in front of the stage. Queen introduction followed and we didn't play Stars & Stripes. No baritones and little of trombone.
