On the Wagon: 15 On the March: Palace of Peace 8 1/2 times  
Some band members straggled in at 4:00 and 5 after.  
We started playing 10 after and played for a full hour.  
Rodger Carroll and Jared Mathew left early. The march  
was played 6 times going thru town and 2 1/2 times  
coming back. Very little audience for the concert  
but much larger for the parade. The price of a fish  
sandwich was high - \$3.25.
