Clarksburg Preparing For Annual Field Day

Clarksburg — Repair work has been started on the dinner pavilion at the Clarksburg field day grounds in preparation for the 42nd annual event on Thursday, Aug. 2.

The building was heavily damaged last spring when a tree fell on it.

Highlights of the all-day program will be a trapshoot, a tractor pulling contest, a horse pulling exhibition, two concerts by the Adelphi band, pony rides, stunts and contests for boys and girls, a machinery display, Billy Scott and Helen Harris of WLW-TV, the Vets Quartet of Washington C. H., Duncan and comic magic, and Roxanne Ebner, of Columbus, gymnast and dancer.

Nine-year-old Roxanne has been studying dancing since she was four years of age, and is considered a strong competitor in a current Columbus contest for a trip to Disneyland and Hollywood. She appeared at the Ohio State Fair last year and performs on television and as an entertainer in various parts of the state.

POINT OF VIEW

Naples (INS) — Gaetano Anice, a postal clerk jailed for opening mail and removing money, lamented that he never stole money addressed to individuals, but only that addressed to charity.

Anice explained that he classified as "needy."
