On March: From King 5 times (3)

In Park on wagon: Queen City, Kiefers
Spec, Qual Plus

Hot day. Poor turnout - barely enough to get by. Short in many sections and no bass drum. Parade moved smartly - we were up front. March played twice on main st., once on side street, once on back street and once on side st, crossing main st and headed for the park. Played 3 numbers at park but audience had their backs toward us. 35 min and its over. Fish sandwich had 3 pieces but they were small. Price \$3.
