

WORKING OUT PLANS FOR THE 4-H PICNIC

Will Be An All Day And Evening Affair—No Admission To Be Charged All Welcome

Details of plans for the Ross County Picnic, which is to take the place of a county fair this year, were worked out at a meeting of 30 committee members from the 4-H clubs of the county, at the office of County Extension Agent F. R. Keeler Monday evening.

The picnic is to be held August 14, at the County Fair grounds.

The program which will last throughout the day and evening, will be furnished by the Granges of the county, Chillicothe, Elmdale, Buckskin, Huntington, Nipgen and Centralia, and the 4-H clubs. It will consist of music, readings, playlets, stunts and so forth.

The Adelphi band had been secured to play all day and in the evening.

Every one will be welcomed and no admission will be charged. Lunch and refreshments will be served on the grounds, fish lunches being prepared by James "Highpocket" Watts.

The picnic will be the occasion for the display of exhibits of work done by the 4-H clubs throughout the year.
