Clarksburg Field Day Set Aug. 3

Clarksburg's 46th annual Field Day and Homecoming, sponsored by the Methodist Church, will be held Thursday, Aug. 3, in the grove on Route 133 just east of the village.

Highlights of the day's program include the actual construction of more than 30 rods of fence on the south side of the grove by the United States Steel Corporation's fencebuilding machine and a firing demonstration of a Civil War field gun as depicted by a squad of Company M Cavalry in Civil War costumes under the direction of the Clarksburg physician, Dr. Byron Stinson. He will give an informative talk on the part played by the Ohio Cavalry in the great struggle. There will also be trapshooting, horseshoe pitching, pony rides, contests of various kinds, farm machinery and commercial exhibits.

The widely known Adelphi band will present concerts both afternoon and evening. Outstanding evening entertainment includes a concert by Columbus quartettes and a group of 30 men representing the Organization for the Preservation of Barbershop Music who were winners of an international contest a few years ago. Also on the evening program will be a short play by members of the Clarksburg Grange, winners of the district contest who will enter state competition at the Ohio State Fair.

Fish lunches will be served at noon with fish and chicken dinners in the evening. There will be plenty of ice cream, pop, sandwiches and everything else that goes to make a full day and round out the program of this widely known Field Day.
