Good day, not too hot. Good turnout, balanced in every section. Herman couldn't come - anniversary - but recruited another bass player to join us - James Williams. Also Eric Dietrich came 1<sup>st</sup> time. Plenty of room at the HS to assemble the parade but it's quite a distance from town. Took 4 playings of the march to reach the crowd. 6th time played downtown and 7, 8 and 9 going back. Audience very appreciative and clapping. Parade was long and moved slowly.
